It will be seen from the Amildar's report of 18-7-14 that the temple is endowed with inam land (dry) measuring 1ac-34g and assessed at Rs 2-4-4 with a jodi of 1 Re/. and that it has no cash tasdik. The temple, which is thus a Muzrai institution, being situated in the midst of Mohamedan quarters, is now proposed to be shifted to the village to which the villagers (Hindus) removed themselves some time ago. The people being very earnest in the matter, the Dy: Comr: recommends sanction thereto in the Muzrai Deptt.

The cost of the estimate viz., Rs 803 is proposed to be met partly from Rs 400 contributed by the people and partly from Rs 400/- sanctd from the village improvement funds.

As it appears rather doubtful whether the village improvement funds can be utilized for the purpose in question, Branch I may, if necessary, be consulted in the matter before according sanction to the Dy: Comr's proposal.

The cost of the estimate for Rs. 803/- is proposed by the D.C. to be met partly from the sum of Rs. 400 contributed by the villagers, and the balance partly of (Rs. 403) being granted from the Village Improvement Funds. The shifting of the temple from the Muhammadan locality to the Hindu quarters is stated to be very desirable. As the temple is a Mirasi institution endowed with some Inam lands, the D.C. requests sanction of Govt to the removal of the temple idol from the old to the new site as well as to the construction of the new temple. A statement re: the Govt grant-in-aid is enclosed with the rem: papers.

Sir,

In forwarding herewith the file of vernacular papers connected with the construction of a new temple of Sri Anjaneya Swami at Kempanahalli in the Kunigal Taluk, I have the honour to state as follows:-

The old village of Kempanahalli has been entirely given up by the Hindus and has come under the occupancy of Mohammedans. The temple is reported to stand in the midst of Mohammedan quarters close to a Masjid. The Hindus of the village live in another Palya which is at a little distance from the village. They pray that permission might be granted to them to construct a new temple near their palya and remove the idol there. An estimate for Rs.805/- is prepared and enclosed in the file, out of which Rs.400/- have been contributed by the villagers and credited to Treasury on 30-6-1914, and the balance of the estimated amount viz., Rs.400/- was sanctioned from the Village Improvement funds.

2. As the temple is a Muzrai Institution endowed with land inams the sanction of Government to remove the temple to its new locality is needed.

3. As it is found very desirable that the temple should be shifted to the new village site of Hindus, I request that sanction of Government may be accorded to the construction of the new temple and the removal of the idol to the new locality.
